

Leadercast™ **HUMAN INTELLIGENCE**

The world is changing faster than ever. We are all constantly bombarded on every side with noise and messaging, most of which we don't even ask for. With all of this noise, we can lose sight of what matters most. And what matters most is people. As leaders, we must evolve and change with the culture, but we cannot sacrifice our humanity.

Leadercast 2023: Human Intelligence will help leaders embrace that they are ultimately leading people, not simply a company or an organization. In a world that's gone digital, leaders need human intelligence.

Human Intelligence will help leaders worth following thrive by being fully human - mastering empathy, communication, inclusion, trust and motivation.

Human Intelligence features eight prominent leaders. Each sharing from their field of expertise and personal background how other leaders can develop higher Human Intelligence.

Leadercast 2023: Human Intelligence will be broadcast to hundreds of host sites. You may participate by attending the main stage in Cincinnati, streaming at your organization, or licensing the event in your local community.

Leadercast

Leadercast's mission is to fill the world with leaders worth following, by serving them with thought-provoking development content and transformative leadership conferences featuring experts and peers who dare to take the business world by storm.
